## FEEDBACK REPORT 2020-21

The feedback report on curricular aspects was collected from students, faculty and alumni and was analyzed by the Internal Quality Assurance Cell (IQAC).

Alumni were asked questions regarding syllabus, its relevance, employability etc. Out of total responses nearly 65% of students are doing either Government or private jobs. They are satisfied with the programme outcome. More than 90% of the students have opined that the syllabus is good enough but some students have recommended framing the syllabus relating to employability skills.
