Sub: e Admin Degree Annual Maintenance Contract.

Sir,

We are happy to inform you that, the **Degree Office Administration software "e-Admin"**, which we have installed at your degree office, is working satisfactorily. As per the terms and conditions it is completed one year of AMC service. Further we provide the service on Annual Maintenance Contract (AMC), so we are requesting you to renew the AMC to run the software smoothly with new versions.

**Annual Maintenance Contract (AMC) for Academic 08-09, Rs. 8000.00.**

**Duration from July 2008 to June 2009**

Terms And Conditions:

- We upgrade the existing software. I.e. New Version will be installed.
- One year full service will be given from the date of contract.
- AMC charges should be paid in advance (at the time of contract)
- If any new modification is done in software that will be replaced, without any extra charges.
- Only software problems will be attended.
- Agreement is valid on Payment receipt.

Thanking you,

For AarGees Business Solutions

## **" e Lib " Library Management Software**

Its GUI (Graphical User Interface) based software, user friendly and less computer knowledge person can also operate the software easily.

### **Features covered are..**

#### • **Multi-user & Multilingual**

- # Software can be installed on any number of computers with self installation package kit.
- # Software is purely multi lingual which operates in three languages English, Kannada & Hindi (in future we are coming out with all Indian Regional languages)

#### • **In built Barcode Generation**

- # Our software supports barcode generation, which can be printed on paper labels in a sheet form (its an economical solution)

#### • **Thermal Printer Integration**

- # Thermal printer is integrated with the software so that barcodes can be printed on polyester labels

#### • **Books & Non books Acquisitions**

- # Purchase order generation, supports accessioning books based on DDC (Dewey's Decimal Classification) or CC (Colonial Classification)
- # Can define various Accessioning cataloguing non book materials like Furniture, CD, DVD, Video, Maps & Project reports.
- # Tracking the status of each of these book and non book materials such as dumped, Missing, Amount Recovered and Write-off
- # Mass transfer of books from issue to reference section or vice versa
- # Supports generation of Accession register Bill report, Catalogue cards, Book Tag & Book Card

#### • **Periodicals & Journals Subscription**

- # Creation of News paper & Magazines
- # Daily attendance entry & generates news paper and magazines monthly attendance ledger & billing reports
- # Subscription & renewal for Journals & Magazines
- # Journal receipts and accessioning, generates all type of ledgers

#### • **Stock Verification**

- # Supports very quick and accurate stock verification within no time

#### • **Reservation & Circulations**

- # Reserving Books in opac and based on the priority considering them in circulations
- # Circulation of Books, Loose / Bound journals, Non Book materials & Magazines
- # Generating various transaction reports based on date, class, student & category
- # Generates due reminders for students & staff.
- # Tracking Fine amount
- # Supports barcode for circulation thus speeds up the transaction activity

#### • **Members Entry**

- # Creation members in three category like Students, Staff & other member
- # Capturing information like name, address, email, Reg no & phone number
- # User Authorization providing privileges to users to limit usage for security

#### • **Identity card generation**

- # Quick Identity Card generation for Student, Staff & Other members

## **" e Lib " Library Management Software**
